Time	Class	Instructors
5:30 PM	<b>West Coast Swing 1 (Beginner)</b> This class is perfect for those who have never danced West Coast Swing. This class is even better if you've never danced at all! West Coast is fun, easy, and more popular than you think!	Neal & Willow
5:30 PM	<b>Musicality &amp; WCS (Advanced)</b> This class will help add a new level to your dance: musical interpretation. Learn how to show other people that you "get" the music and add an extra layer of polish to your moves. Hit the 1 and groove like never before, we'll see you on the dance floor. Pre-requisites: WCS 2A, 2B, basic spin technique, and a sense of adventure.	Marc <i>assisted by</i> Jen Hocko
6:30 PM	<b>West Coast Swing 2B (Pre-intermediate)</b> This class is the next step after the basics of West Coast Swing 1. This class will introduce common 8-count patterns and refine techniques introduced in West Coast Swing 1.	Marc <i>assisted by</i> Jen Hocko
6:30 PM	<b>West Coast Swing 3A (Intermediate)</b> West Coast Swing 3A is the next step after completing our West Coast 2 sequence. It focuses on further refining 6-count and 8-count patterns as well as introducing spinning technique.	Neal & Willow
